Water Forum

hosted by *Imagine* MCHENRY COUNTY

and McHenry County College

Saturday, August 7, 2010

9:00 a.m. to Noon *Vendor Booths and Registration open at 8:30 a.m.*

MCC Conference Center *The MCC Conference Center entrance is located in Building B.*

The Water Forum is an opportunity for McHenry County residents, businesses, and elected officials to learn about their sole source of drinking water – groundwater – and how to protect it! The Forum will highlight local businesses whose practices and products work to protect and conserve our finite water supply. All are invited to learn how to cut costs and protect our water supply.
