KISHWAUKEE VALLEY ROAD (A-33) BRIDGE REPLACEMENT

FOR IMMEDIATE RELEASE

LOCATION: Kishwaukee Valley Road Bridge over the North Branch of the Kishwaukee River, between Savannah Lane and Vermont/McKinstry Road, five miles west of Woodstock.

PLEASE BE ADVISED:

The Kishwaukee Valley Road Bridge was opened to traffic at noon today, Thursday, June 10, 2010. The marked detour has been removed.

The McHenry County Division of Transportation would like to thank the motoring public for their patience and understanding during the construction of this important improvement to the local highway system.

The project was completed within the project budget and was opened to traffic two days ahead of schedule. A thank you goes out to all MCDOT personnel for their efforts on this project, and to the Bridge Contractor for a job well done!
