2010 McHenry County Gypsy Moth Spray

WOODSTOCK, IL –McHenry County will begin spraying at dawn on Monday, May 24th (weather pending) for the gypsy moth caterpillars in certain areas of Crystal Lake, Lakewood, Lake in the Hills, Spring Grove, the Cary Park District, Dunham Township, Dorr Township, and Nunda Township. A map of the specific spray blocks for this year's spray can be found under "Announcements" on the McHenry County website.

McHenry County will be spraying approximately 650 acres with *Bacillus thuringiensis* var. *kurstaki* (Btk), from a helicopter 20 feet above the tree canopy. Btk is a naturally occurring bacteria that is used to control pests such as gypsy moth caterpillars. The spraying for the designated areas should be completed in one day and another spray will also occur within a week of Monday's treatment (weather pending).

If you have any questions, please contact Adam Lehmann at 815/334.0309.
